# WELCOME TO THE WORLD OF ELEVATED TRAVEL

Luxury travel is more than the destination, it is the emotion of feeling right, understood and treated in a way that is personally crafted.

At Elevana, every detail is curated. Every moment is intentional. Every journey is transformed from just a trip to a story you will remember.

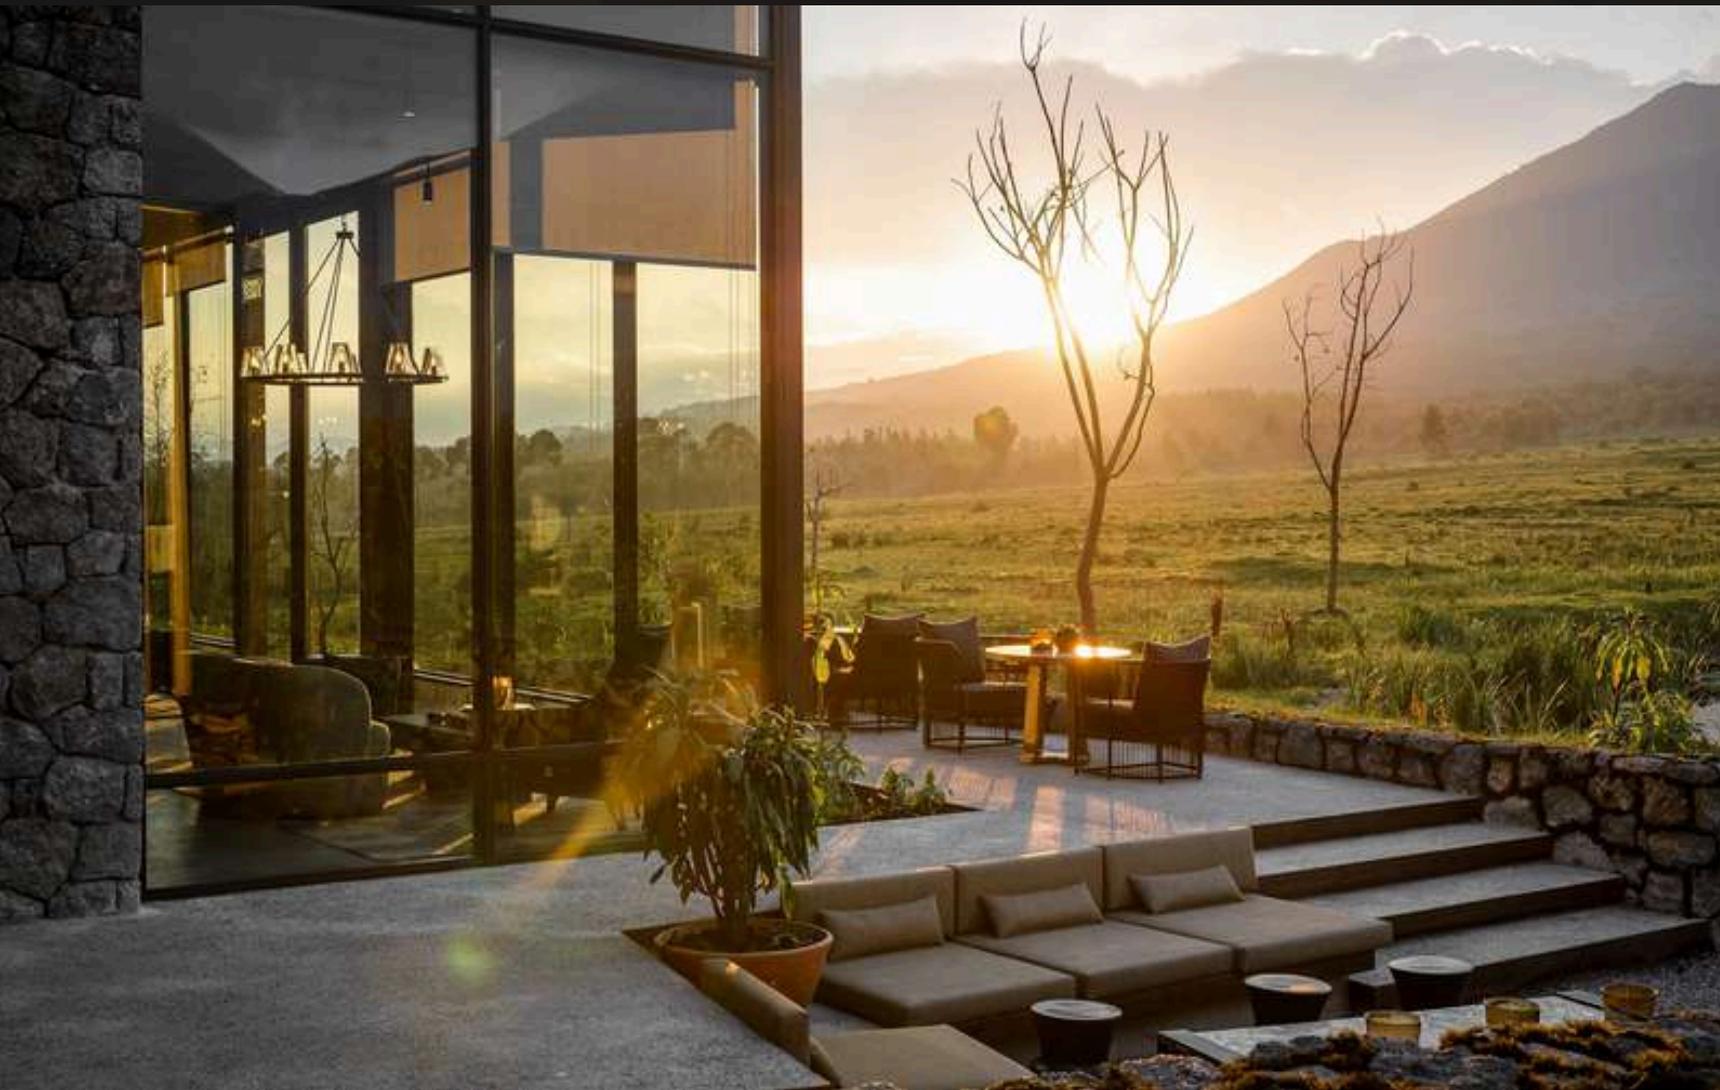

**Welcome to where travel  
becomes art.**

# WHAT DEFINES TRUE LUXURY

In our world, luxury is defined by six core principles:

# 01. Personalisation

Your journey, crafted around your tastes, timing, and desires.

# 02. Exclusivity

Private spaces, rare experiences, and access unavailable to the masses.

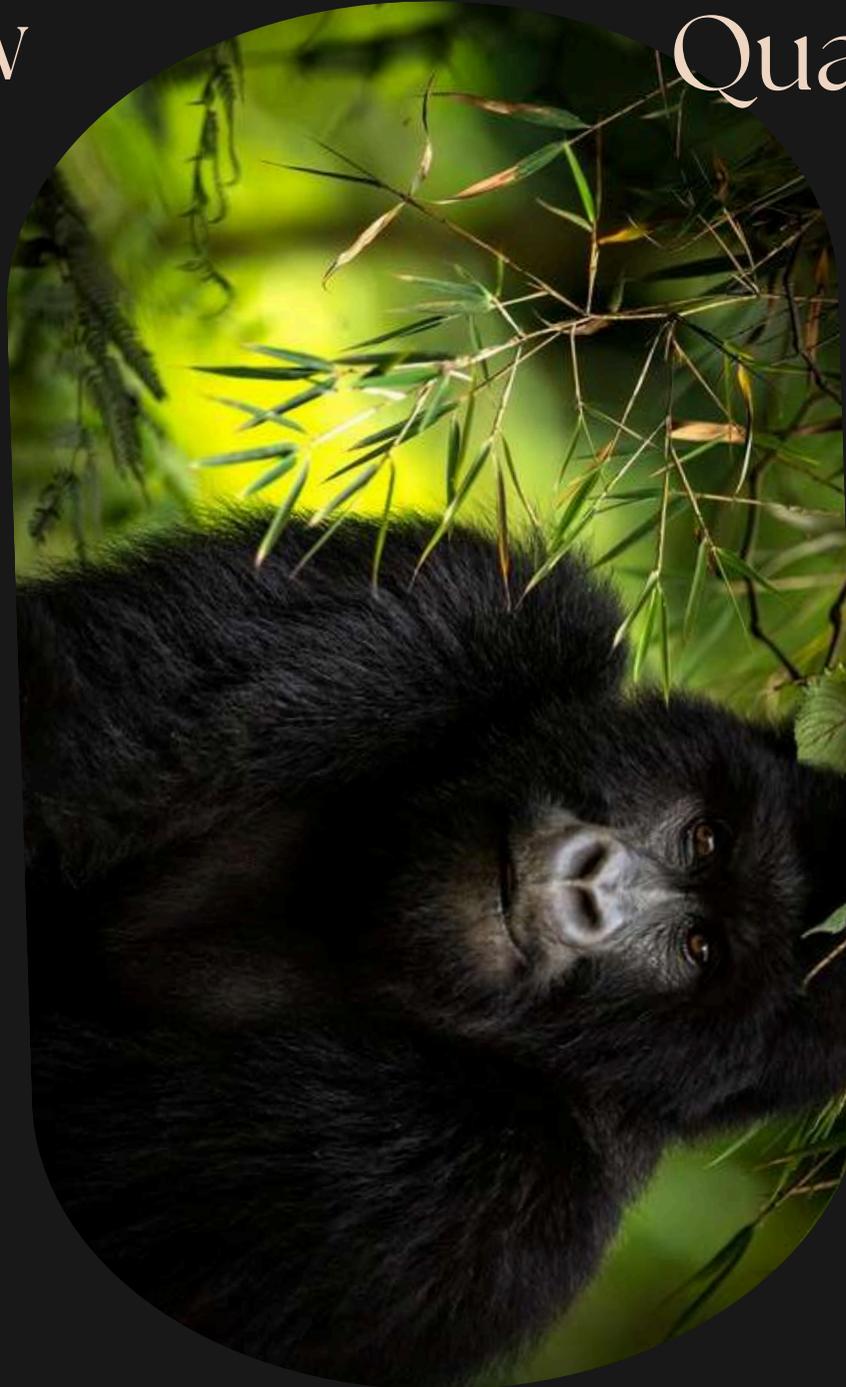

### 03. Effortless Flow

From arrival to return, every detail handled seamlessly.

### 04. High Aesthetic Quality

Beautiful surroundings, refined design, premium materials.

## 05. Privacy & Space

The freedom to relax, retreat, and reconnect without crowds.

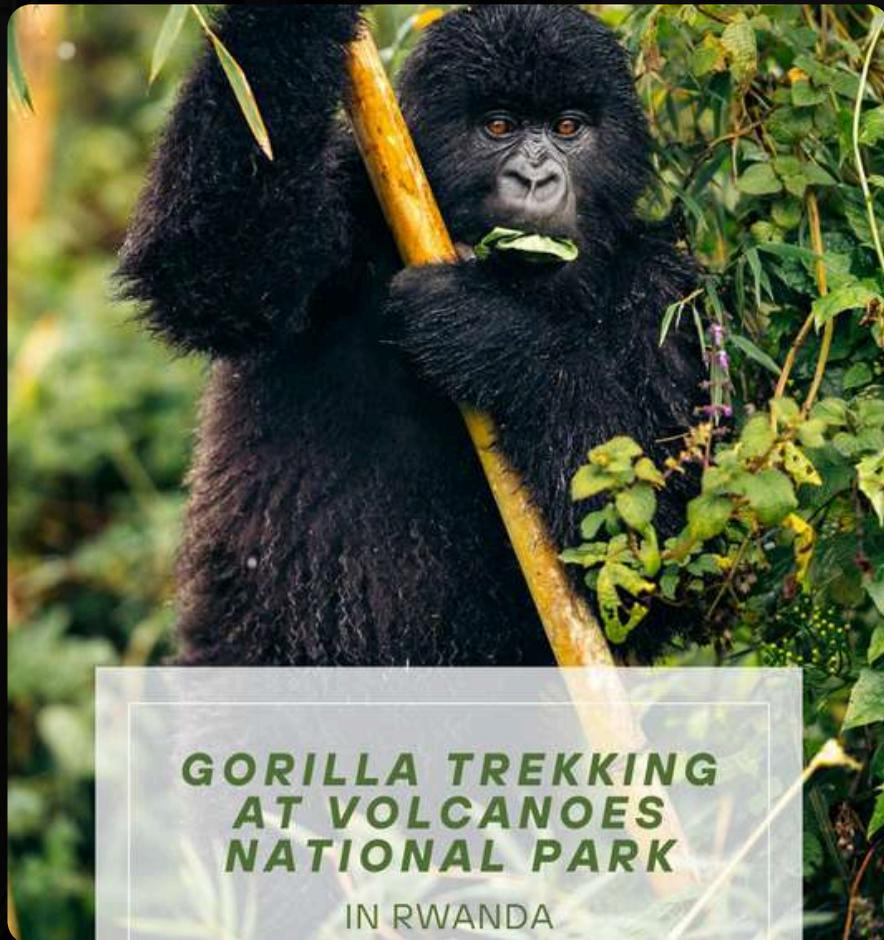

## 06. Emotional Impact

Luxury should leave you changed, enriched, elevated.

# THE ELEVANA SIGNATURE LUXURY EXPERIENCES

## Luxury Safaris

Exclusive camps, private guides,  
intimate wildlife encounters.

# Wellness & Rejuvenation Retreats

Healing destinations with world-class spas, therapists, and holistic programs.

## Adventure with Elegance

An aerial photograph of a lush, green forest. A winding road or path cuts through the trees, leading towards a small building with a brown roof. The background shows misty, rolling hills under a soft, golden light, suggesting a sunrise or sunset. The overall scene is serene and natural.

# ONE & ONLY GORILLA NEST

A woman in a light-colored uniform is tending to a large, multi-tiered stone fireplace. A tall, black, conical chimney rises from the top of the fireplace. The room is warmly lit, featuring a large window with multiple panes, a hanging woven basket lamp, and several framed pictures on the wall. The overall atmosphere is cozy and rustic.

Enveloped by elegant eucalyptus forests, One&Only Gorilla's Nest embodies refined wilderness luxury. Transformative, rare gorilla encounters invite deep introspection, creating moments found nowhere else on earth. Set beside Volcanoes National Park, this serene haven reveals Rwanda's quiet magic, one breath at a time.

## Private dining

Carve your own space in this theatrical setting with private dining experiences that create your personal window into the volcanic surroundings. Enjoy secluded candlelit dinners, sustainable dining nestled in the chef's garden or set off on a hike with a basket filled with delicious treats.

An aerial photograph of a resort at night. The resort consists of numerous circular, thatched-roof huts built into a dense forest on a hillside. Each hut has a large window that is brightly lit from within, creating a warm, golden glow that contrasts with the dark, cool tones of the night. The huts are scattered across the slope, some higher up and some lower down, creating a sense of a secluded and natural setting. The overall atmosphere is peaceful and luxurious.

WILDERNESS

BISATE

Wilderness exists to make sure the world will always have a version of its iconic wild places that is unfenced, untamed and unpredictable. It's not our reputation as one of the first, or the largest, in the conservation tourism space that makes us Wilderness.

## MATCHLESS WILDERNESS THRILLS

Since opening in 2017, Bisate has racked up 34 awards and continues to inspire. Six sublime en-suite forest villas, designed as an homage to Rwandan royalty, overlook unforgettable vistas over brooding Bisoke, Karisimbi and Mikeno volcanoes. A wine cellar, library, spa, restaurant, and tree nursery, woven through with warm hospitality complete this natural wonder.

The Sanctuary at Bisate is a true wilderness.

**ACCOMODATION**

# DINING

The pinnacle of luxury and immersive travel around Rwanda's Volcanoes National Park, proudly unveils its inaugural dining experience. Under the expert guidance of Executive Chef Angelus Karangwa, this debut menu harmoniously blends traditional East African flavours with refined elegance, embodying a philosophy of simplicity, sustainability and a deep connection to local ingredients.

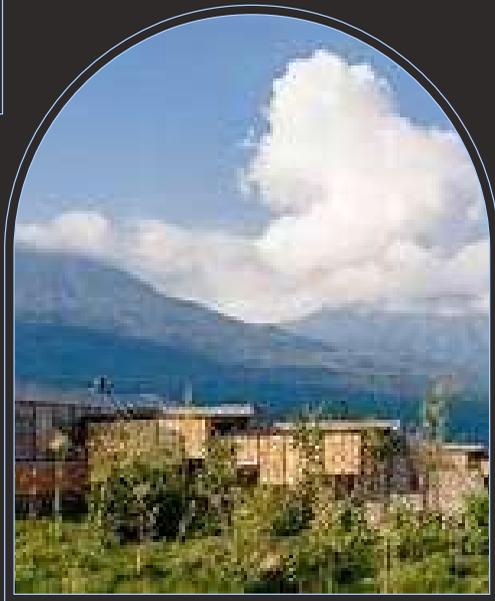

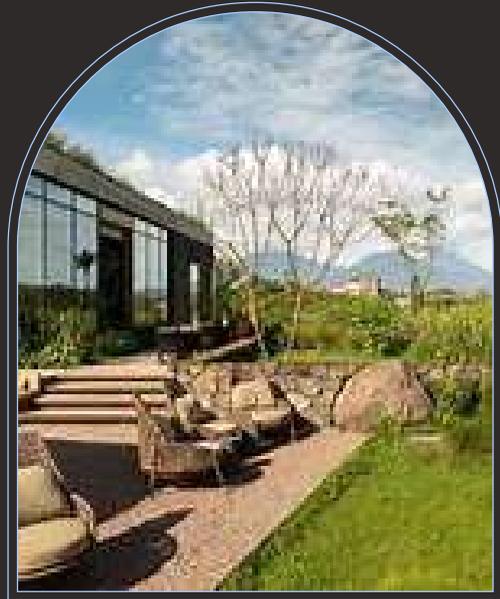

The background image shows a dimly lit interior of a lodge. A stone fireplace is visible on the left, with a dark leather chair and a green shawl draped over it. A wooden table is in the foreground on the left, and a dark, cylindrical object is on the right. The overall atmosphere is rustic and cozy.

SINGITA  
KWITONDA  
LODGE  
— RWANDA

# ABOUT

Emphasizing sustainability and local craftsmanship, the lodge incorporates handcrafted elements like woven ceilings and terracotta brickwork by local artisans, and supports conservation through an on-site nursery and vegetable garden that supplies fresh, organic produce for its farm-to-table dining experience. A dedicated Conservation Room enhances guest engagement with environmental efforts.

# ACTIVITIES

# GUIDED VOLCANO HIKES

For the more adventurous traveler, guided hikes to the nearby volcanoes offer an exhilarating experience. The breathtaking views of the surrounding mountains and valleys are a reward for those willing to conquer the hike

# WINE EXPERIENCE AT VOLCANOES NATIONAL PARK

Wine forms an intrinsic part of the Singita story. Through it, our sommeliers and wine stewards aim to capture and celebrate the diversity of the Cape Winelands.

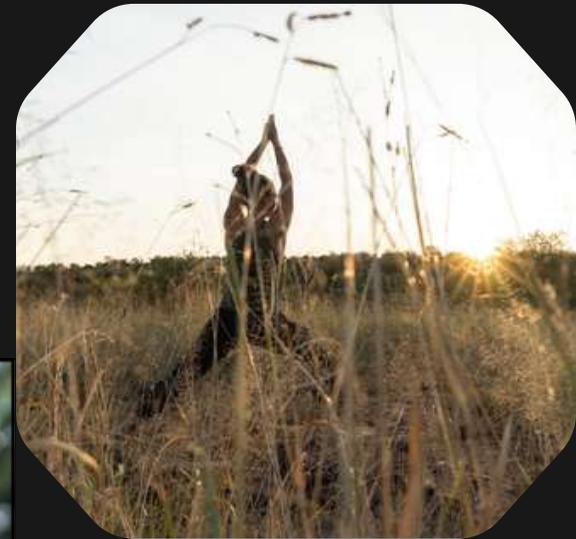

A close-up photograph of a person's hands holding a wine glass filled with red wine. The person is pointing their right index finger towards the wine in the glass. The background is dark and out of focus, showing a person in a white shirt and a decorative wall with a grid pattern and warm lighting. The text is overlaid on the right side of the image.

Enjoy a selection of the finest and most sought-after South African wines from the comfort of our cellar or the tranquillity of the on-site Akarabo Nursery, overlooking the neighbouring volcanoes, depending on the weather. Each tasting flight is curated according to your preferences, though we aim to balance serving well-known favourites with unique, exclusive releases and reserves.

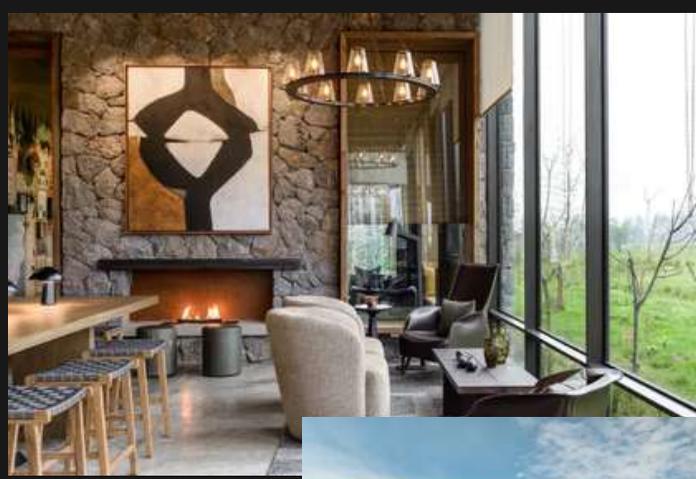

# YOGA & WELLNESS TIPS

Enjoy yoga sessions outdoors, depending on the weather, in your suite, or the Kataza lobby area. There's also a dedicated yoga instructor on-site who, on request, can guide beginners and experts alike through Yin, Vinyasa, or Restorative yoga classes.

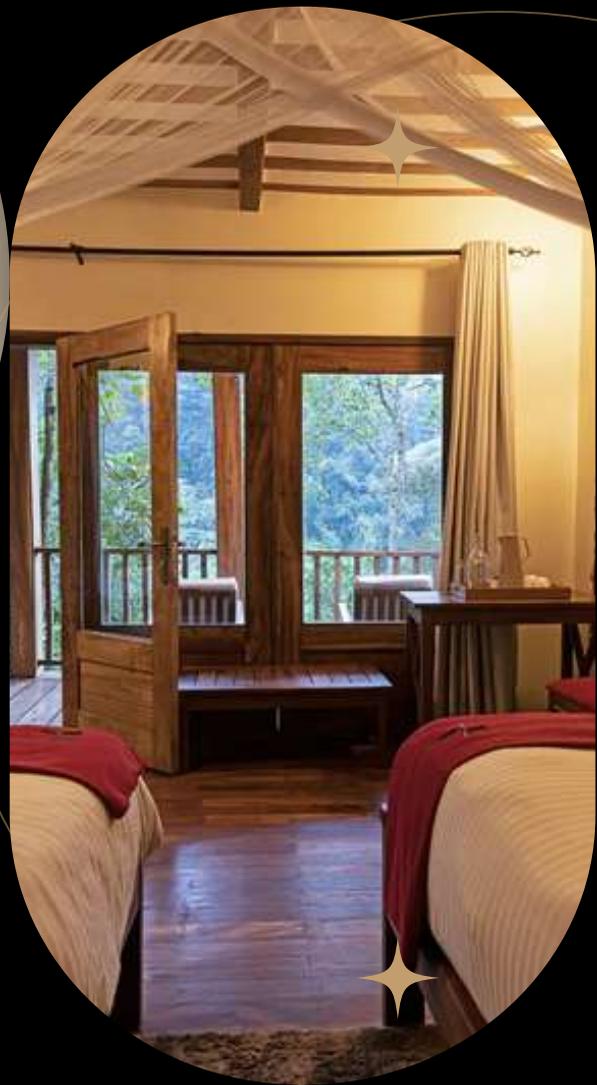

# FARM-TO-TABLE MEALS

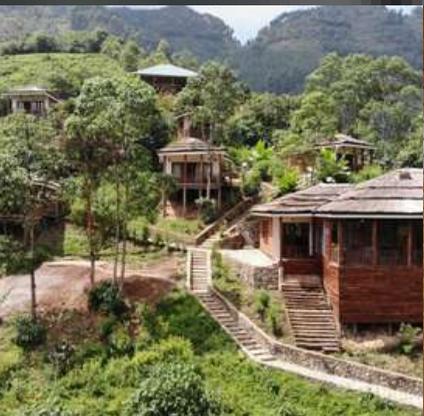

An aerial photograph of a lodge complex nestled in a dense, lush green forest. The lodge consists of several interconnected buildings with dark, gabled roofs and light-colored walls. A paved road or path winds through the complex. The overall scene is serene and natural.

FOUR  
GORRILLAS  
LODGE  
UGANDA

Four Gorillas lodge Uganda offers the best Luxury Accommodation of all worlds to those who travel to Bwindi Forest National Park. In this oasis of privacy, serenity and rejuvenation, there are no crowds, just Mountain Gorillas as well as the soothing sound of birds, rustling trees, soft breezes and breath-taking views – the Four Gorillas Lodge is the closest to the headquarters of the Bwindi National Park, only 10 minutes away from the Gorilla tracking and briefing center.

# BATWA CULTURAL EXPERIENCE

Looking for a deeper cultural connection during your stay at Four Gorillas Lodge? The Batwa Cultural Experience offers an incredible opportunity to immerse yourself in the traditions of one of Africa's oldest communities.

Nestled near Bwindi Impenetrable Forest, the Batwa, known as "The Keepers of the Forest," invite you to explore their ancient way of life. Whether it's a walk through their village or enjoying a vibrant cultural performance at the lodge, this is an unforgettable experience.

# NKURINGO

MOUNTAIN  
GORILLAS

THE GENTLE GIANTS OF THE FOREST

ELEVANA

Venture into the lush forests of **Volcanoes National Park, Rwanda, or Bwindi, Uganda**, where mountain gorillas live in tight-knit families led by the commanding silverback. Groups of 5-30 communicate through chest-beating, soft grunts, gestures, and soulful eyes, revealing emotions strikingly like our own. Each gorilla carries a unique nose print, a fingerprint of individuality in the wild.

## What to Observe & Not Miss

### **Playful Families:**

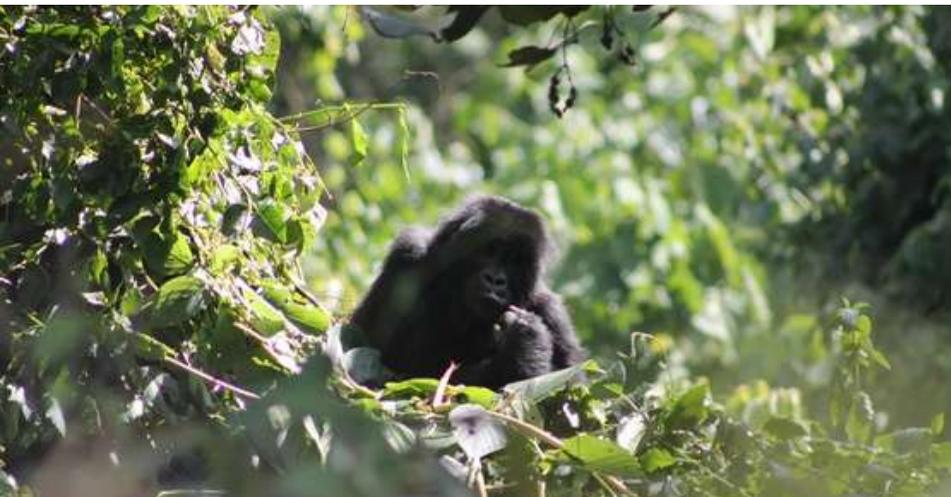

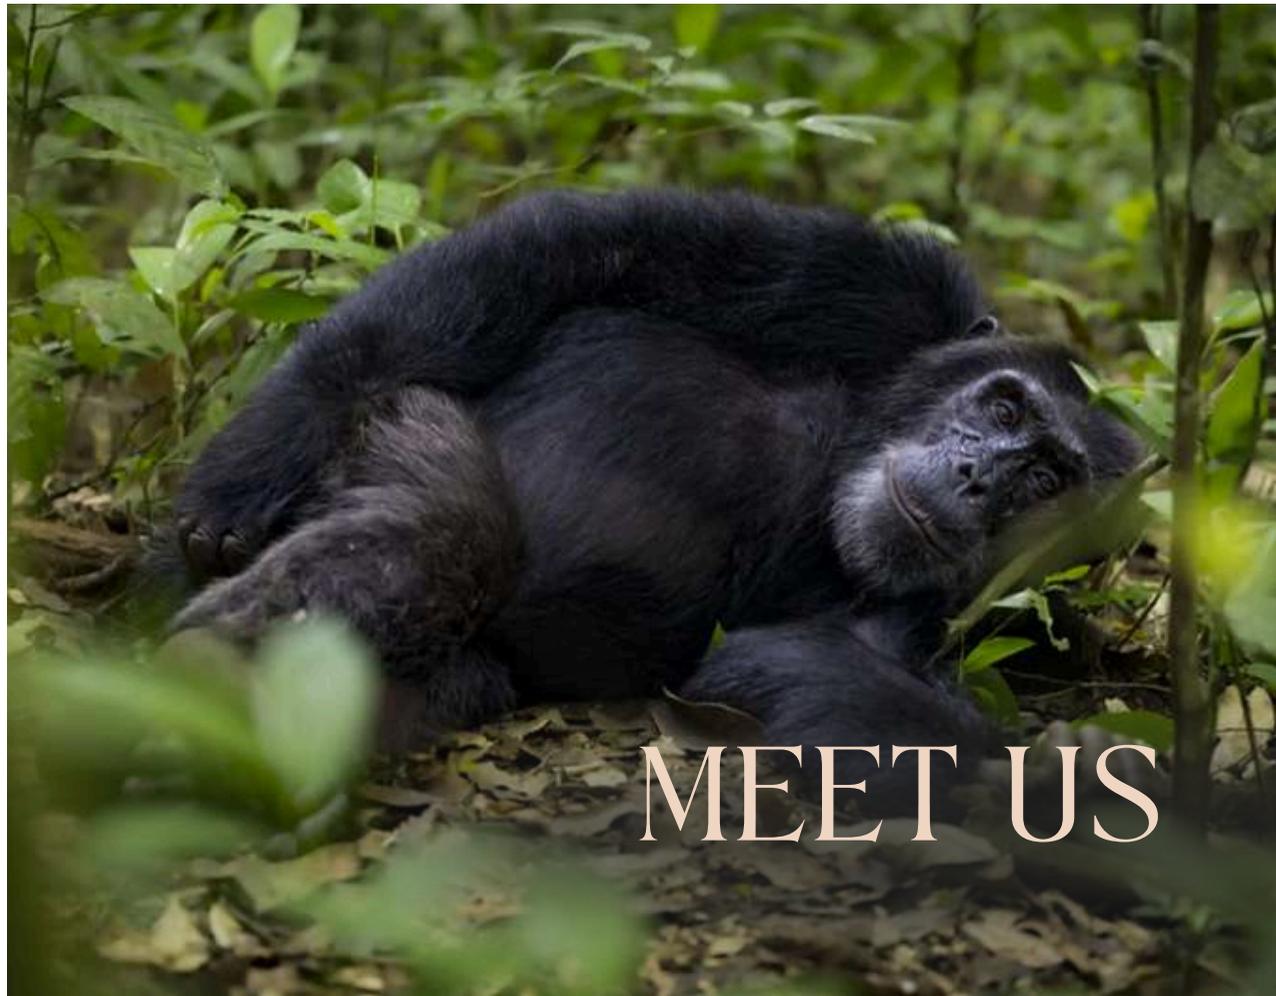

Infants tumble, juveniles explore, and adults care tenderly for the young.

### **Silverback Leadership:**

Watch him guide, protect, and mediate conflicts with quiet authority.

### **Gentle Curiosity:**

Gorillas may approach slowly, studying you with intelligence and calm composure.

# Must-Do Moments

- Spend a full hour quietly observing the group, letting them set the pace.
- Capture fleeting expressions and playful interactions from a respectful distance.
- Listen to your guide's stories about individual gorillas and conservation efforts these transform the encounter from sightseeing to meaningful connection.

A golden monkey with a blue face and chest is perched on a tree branch in a dark forest. The monkey is looking directly at the camera with a curious expression. The background is filled with dark, textured tree trunks and branches, creating a sense of a dense, mysterious forest.

# GOLDEN MONKEYYS

THE PLAYFUL TREASURES OF THE FOREST

Discover the vibrant and agile golden monkeys in Volcanoes National Park, Rwanda. Their striking golden-orange fur glimmers through the misty canopy as they leap gracefully between branches. Groups are lively, social, and endlessly curious, offering travelers a joyful glimpse into their energetic world.

## What to Observe & Not Miss

- **Acrobatic Play:**

Watch juveniles tumble, chase, and leap, while adults maintain tight family bonds.

- **Social Connections:**

Golden monkeys groom, communicate with chirps and whistles, and maintain clear social hierarchies.

- **Gentle Curiosity:**

These monkeys may approach carefully, observing you with keen intelligence just like the gorillas

A black bear is standing in a forest, looking down at five wooden blocks on the ground. The blocks are arranged in a row and spell out the word 'FACTS'. The bear is positioned behind the blocks, and its head is slightly above them. The background is a dense forest with green foliage and tree trunks.

# Fun Facts to Spark Wonder

F A C T S  
F A C T S

- Golden monkeys are endemic to the Virunga Volcanoes, meaning they are found nowhere else in the world.
- Their diet includes bamboo, leaves, and fruit, and they help maintain forest health through seed dispersal.
- Observing their social interactions offers insights into communication, cooperation, and family bonds.
